2024 Master Plan Community Survey

WHAT IS THIS?

Allegan Township has begun the process of updating its Township *Master Plan*.

Allegan Township wants *your* input on past, current, and future conditions of the Township. We also want to hear about the needs, desires, and goals *you* think are most important to the future development and direction of your local community.

Scan the QR Code at right with your phone camera or enter the link below into a browser to access the survey and make your voice heard!

FAQ

"What is the Master Plan?"

The *Master Plan* is a document required of your local municipality by the State of Michigan to help guide the future of its physical development. The *Master Plan* is reviewed every five years to review accuracy of past predictions and continued applicability of goals, objectives, and other stated information. The *Master Plan* is used by your local government to guide zoning decisions, policy changes, and potential developments.

"Why a survey?"

Allegan Township wants to ensure it adequately accounts for the needs and desires of its residents and stakeholders as it reviews past goals and adjusts them for the future. A survey is a quick, comprehensive way to collect that information.
